Our legacy: What success really means to us.

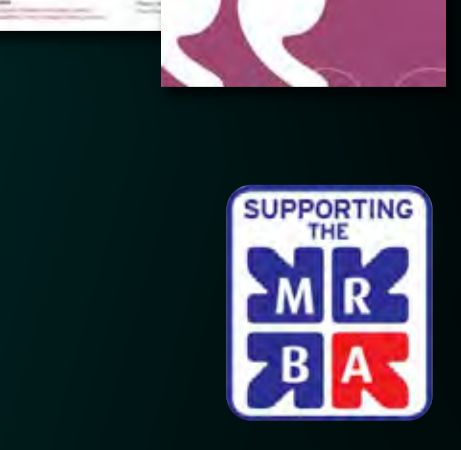

Preserving our world for future generations: Diversity, inclusivity, equality, and environmentalism have always been at the heart of Empower, and we have pledged publicly to maintain them.

Contributing to the integrity of research: We co-author official sector guidance, including the MRS/ATC Translation Procurement Checklist and Representation in Research guidance.

Sharing success with our community: We are long-term Company Patrons and ambassadors of the Market Research Benevolent Association.

Maintaining a thriving team culture: Our internal culture and global operations are multi-award-winning, and underpin every aspect of what we do.

Get started today.

Simply email our experts: sales@empowertranslate.com

Our team (pictured below) can provide quotes based on ballparks, L01, or an existing file.

We would also love to help you with scheduling, budgeting, and client requirements, and will advise on the best languages for your markets, cultural nuances, and logistics.
